

The Miso Alternative to Mayonnaise

To My Favorite Retailer,

Please carry MISO MAYO in your refrigerated section!

MISO MAYO is vegan and made with non-GMO ingredients. It's really versatile and would appeal to your customers who love unique, great-tasting condiments. And it's perfect for many of us who stay away from dairy, eggs, cholesterol, sugar and gluten.

Thank you for stocking MISO MAYO in your store! Their website is www.misomayo.com, or contact Janet at 310/827-0730, info@misomayo.com.

Sincerely,

Your Loyal Customer
